

International Conference  
**InterCarto/InterGIS-22**

GI support of sustainable development of territories  
in conditions of global climate change

August, 31-September, 2, 2016, Wellington (New Zealand)  
September 5-6, 2016, Melbourne (Australia)  
September 12-14, 2016, Protvino (Russia)

**Information Letter 2**

**Important information**

1. Dear colleagues, the deadline to submit papers is June 20, 2016. Registration information is given on the website ([http://www.icarto.ru/2016\\_registration\\_form\\_rus.php](http://www.icarto.ru/2016_registration_form_rus.php)).
2. Please use the template for the preparation of the article:  
<http://www.icarto.ru/InterCartoTemplate.doc>
3. Communicate with the organizing committee if you have any questions

e-mail: [InterCarto2016@gmail.com](mailto:InterCarto2016@gmail.com)  
WWW: [iCarto.ru](http://iCarto.ru)  
Phone: +7 (4967) 34-01-37  
Fax: +7 (4967) 34-01-37

**Organizers**

The International Cartographic Association  
International Geographical Union  
International Eurasian Academy of Sciences  
Center of World Data System for Geography ICSU-WDS

**Main Topics**

- [ GIS and cartographic support for the environmental, economic and social dimensions of sustainable development
- [ Ensuring sustainable development of “cities of science” (Naukograds) and priority development areas
- [ Mobile geographic information systems
- [ Virtual geographical environment

**iCarto.ru**

- [ New technologies of spatial-temporal visualization
- [ Geoinformatics and public participation in the protection of environment and risk management
- [ Spatial data infrastructure
- [ Standards, interoperability and open access
- [ Geoinformation assistance for preservation of cultural and natural heritage
- [ Geoinformation assistance of climate researches
- [ Ecological and sustainable tourism
- [ Urban ecology and planning
- [ Problems of education

### **Seminars and Round Tables**

- [ Pan-Eurasian Experiment Program (PEEX) and Sustainable Development
- [ Sustainable development of Russian “cities of science” (Naukograds)
- [ Digital cultural and natural heritage and Geoinformatics
- [ Geoinformation Support of Security, Biosecurity and Healthcare Researches
- [ Remote sensing and software for sustainable development

### **Contact Information**

#### **Technopark Protvino**

Pobedy str., 2 bld., 801A

Protvino

Moscow Region

Russia, 142280
